Note

Spoke F 8 (Currency) about X of E 87, and I was informed that this last minute request by Delhomme to transfer £20,000 to his foreign account at the Banque Nationale de Paris could possibly give rise to difficulties but in any case some time would elapse before payment could be made.

In the circumstances it was decided to withhold payment of the £20,000 pro tem pending further instructions from M^r Delhomme as requested at E 88. Instructions as to payment will be issued on receipt of a reply to E 88.

Also spoke to the British and French Bank. Their new address is 8/13 King William Street. They confirmed that they had an account in the name of André Delhomme.
